Planning a visit to our Nation's Capitol? My office is pleased to help you schedule tours at popular sites in and around DC.

Tour hours and ticket availability vary throughout the year; please contact my office with at least three months advance notice whenever possible.

White House tours must be reserved **at least** one month in advance. White House requests **ca nnot**
be made within a 28-day time period. White House tours may be reserved up to six months in advance.

Depending on the time of year, tickets to the more popular attractions (White House, Bureau of Engraving and Printing, Capitol, etc…) can be very limited.This is especially true during Spring break, summer months and around holidays. Tours are offered on a first come, first served basis. Please make your tour reservations as early as possible.

Please submit the following information to request a tour. Submitting this information does *not* g uarantee spots on specific tours.
If the dates of your trip are one month or less away, we will not be able to accommodate your request. We have a strict one month minimum cut off date for accepting tour requests.
