MEDIA ADVISORY: Akin to Hold Roadside Press Conference on the Pelosi Energy Premium and how it is crippling our economy

He will be joined by several professional Truck Drivers from Witte Brothers Exchange

WHAT: Congressman Todd Akin will hold a press conference on skyrocketing gas prices and the Democrat's lack of action.

He will discuss his \$150 Barrel Energy Extortion Act also known as the Akin 150.

In anticipation of the inevitability of \$150 per barrel oil, the Akin 150 would open up ANWR and terminate the moratorium on oil drilling on the Outer Continental Shelf. The bill will also encourage the construction of new refineries and new nuclear power plants.

WHO: Congressman Todd Akin, Professional Drivers from a transportation company and Brent Witte of Witte Brothers

WHERE: The Park and Ride lot, Veterans Memorial Parkway, St. Charles (Just West of I-70 and 5th street across from the St. Charles Convention Center)

WHEN: June 13, 11:00 AM central

WHY: Resistance by the Majority party to promote American energy threatens to kill

the U.S. economy
