

St. Louis, Missouri- Congressman Todd Akin, (R-MO) released the following statement regarding the attack on the U.S. Consulate in Libya on Tuesday.

“The attack on our consulate and thoughtless killing of American diplomats in Libya serve to remind us of the sacrifice of those in service overseas. This senseless attack and murder underscores the irrational hatred that some still harbor for our country and our citizens. Our heart and prayers go to those who have made the ultimate sacrifice and for their friends and family.”□
